InventOnUs Tech Pvt Ltd

CERT-In Empanelled Information Security Auditing Organisation (2024-2027)
Registered with MSME No.: UDYAM-MH-26-0063667

Date: 13-Mar-2026

Safe To Host Certificate

To whomsoever it may concern

Application Name	: RineTrack Web Application
Test URL	: https://rinetrack.in/login
Version	: v1.1
Audit Date	: 06-Mar-2026 to 13-Mar-2026
Compliance Verification Date	: 13-Mar-2026
Developed and Maintained By	: Crest IT Consulting Pvt. Ltd.
Audit Type	: Vulnerability Assessment and Penetration Testing (VAPT) and Secure Code Review.

The above web based application has undergone through VAPT Audit from InventOnUs through the provided Test URL as per guidelines, advisories, and vulnerability notes issued by Indian Computer Emergency Response Team (CERT-In) and National Critical Information Infrastructure Protection Centre (NCIIPC). We also tested the URL of the web application against various Web Security Standards like Open Web Application Security Project (OWASP) Top 10 Web Risks, SANS Top 25 Software Errors, Common Weakness Enumeration (CWE), Common Vulnerabilities and Exposures (CVE), The Web Application Security Consortium (W3C) and Web Content Accessibility Guidelines (WCAG) etc.

Conclusion:

Based on the audit outcomes, this application is certified as free from all known vulnerabilities.

While concurrent session support is a business requirement to facilitate user workflow, appropriate server-side controls and procedures have been implemented to ensure this is effectively managed and mitigated.

The Certificate shall be deemed invalid if the underlying IT infrastructure of the web application is modified after the compliance audit.

Recommendation:

The audit of web application shall be carried out at least once a year or as and when any significant upgradation of its process and computer resource.

This Certificate is valid for one year from the issue date.
